Tel: 01527 488316

November 2013

Following your referral to our service we write to invite you to attend our CFS information session. This is a chance for us to introduce our service, let you know what we can offer you, and give you some basic information about the condition and advice regarding small changes you can make to start improving your symptoms. **Please find enclosed a leaflet with further information on the session**

Sessions are run on the second Tuesday of every month and are held on alternate months at Pershore Community Hospital and The Princess of Wales Hospital, Bromsgrove. Pay and display parking is available on both sites.

Please note that this session is the first stage of the treatment that we provide as a service. We consider it to be a very important and valuable aspect, and urge all of our newly referred patients to make the necessary arrangements to attend this session.

**Please contact us on the above telephone number to book your place on the next available session.** If we are unable to answer the phone, please feel free to leave your details on the answer phone and we will get back to you as soon as possible.

If we do not hear from you within **two weeks** of the date of this letter, we will assume that you are choosing to opt-out of our service and will remove you from our waiting list.

We look forward to meeting you

Yours Sincerely,

The Worcestershire CFS/ME Service
