To minimise any possible problems with security, the Committee has decided that those wishing to link up with other members, friends or carers should do so by phoning our Chairman, Ian Logan (01886 888419), who would then look to link people up, possibly by area, age or those having similar difficulties.					
If you are interested in helping us in any way as a volunteer, e.g. to help run a group, or with the Newsletter, as a contact with newspapers, local radio, by email or phone, please phone Ian Logan
